

PRESENT: Mayor Lauren Tackman, Trustees Christine Schreiber, Randy Blowers, John Scatena, Zack Avery, Randy Doran from Water Point Network. Trustee Joe Domachowske was absent.

MEETING CALLED TO ORDER by Deputy Mayor Tackman at 5:00 pm.

Randy Doran began by introducing introduce himself and Water Point Network.

The following points of the software were discussed:

- Originally developed for leak detection with a correlator.
- Apps are available in itunes
- Can utilize other GIS mapping information
- Cost is to back up info to cloud and ipad security
- Able to have all manufacturers specs info tied to asset (E-1 pump for example)
- No need for engineer to map the info, can be done by DPW workers
- Takes photo with Ipad to be tied to asset
- Walk or drive line to plot
- Great for leak detection tracking
- WP#2 software works with iphone and ipad. And has other asset types available
- Remote access is available for support
- Up front cost for 5 year plan is cheaper \$5490 as opposed to \$3689 for 3 years.
- Cost is based on number of service connections.

Motion to adjourn at 6:08pm by Mayor Tackman, second by Trustee Schreiber, all in favor.
